

Ash Tree Protection Services Contact List

October 2019

The professional arborist and tree care companies listed below are offering services to protect ash trees from emerald ash borer (EAB) through insecticide treatment in Vermont. Each company listed meets three requirements:

1. Staff includes at least one Certified Arborists or Board Certified Master Arborist* through the International Society of Arboriculture
2. Staff includes at least one Vermont Certified Pesticide Applicator through the Vermont Agency of Agriculture, Food, and Markets, and
3. Staff have confirmed that the company is offering ash treatment services as of September 2019 and has agreed to being included on this list.

The Vermont Urban & Community Forestry Program is providing this contact list, in alphabetical order by town, without specific recommendations; the credentials listed above are baseline professional standards for arborist and tree care companies. Contact Elise Schadler, elise.schadler@vermont.gov if you believe you've been erroneously excluded from this list.
